Liability Release and Promise Not to Sue

I understand there is some risk in participating in a mushroom foray and conference, all those risks one assumes by being away from home, risks associated with moving about in fields and woods, risks involved in eating wild mushrooms, risks of losing personal property by theft or misplacement, and all other expected and unexpected risks. In registering for or attending this foray, I agree to assume total responsibility during this event for my own safety and well-being, and that of any minor children under my care, and for the protection of my and their personal property. I release the Southern Idaho Mycological Association (SIMA) and Quaker Hill, their trustees, officers, employees, contractors, and all other persons assisting in the planning and presentation of this event from liability for any sickness, injury or loss I or any minor children under my care may suffer during this event or as a result of attending and participation. I further promise not to file a lawsuit or make a claim against any of the persons listed above, even if they negligently cause me or my minor children injury or loss. Finally, I agree to hold SIMA harmless from any liability it may incur as a result of any damages to Quaker Hill property which I may cause. This release and promise is part of the consideration I give in order to attend this event. I understand it affects my legal rights. I intend it to apply not only to me, but to anyone who may have the right to make a claim on my behalf.
